

HSB (Celit-kaderwerk-OSB)

The diagram illustrates a cross-section of a wall assembly. On the left, a brick wall is shown. To its right is a vertical section of a wall assembly. The top part is a light-colored panel labeled 'HSB (Celit-kaderwerk-OSB)'. Below this is a yellow panel labeled 'Spouwisolatie'. Underneath the insulation is a layer of horizontal wooden planks. The entire assembly is supported by a brick wall on the left and a vertical wooden post on the right. The background shows a roof with grey tiles and a light blue sky.

Spouwisolatie
